COMMENTS: DATE: 03/17/12 TIME: 1824 INIT: T25
TRAFFIC ACCIDENT

DATE: 5/2/12
SUBJECT: dui

On 3/17/12 1748 hours, I, Ptn. Anthony Branchini #174 responded to the 900 block of North Illinois in reference to a traffic crash, with possible injuries. Ptn. Kallal #129 arrived prior to my arrival. As Ptn. Kallal arrived on scene, he discovered there were no reported injuries.

As I arrived on scene I observed a 2003 Hyuandai bearing IL registration X831388 approximately fifty feet in the southeast grassy field of the 900 block of North Illinois. Contact was made with the driver, Hannah Z. Schenewerk (Victim, W/F, DOB: [REDACTED] 86).

Victim was traveling southbound in the left hand lane as she approached the 900 block of North Illinois. In the right hand lane traveling southbound was a 1995 GMC Sierra bearing IL registration 24KRUM.

Victim stated the white GMC Sierra began to "cut her off" by merging into the left hand lane. Victim initiated her vehicle's horn in an attempt to warn the driver of the GMC Sierra, however the driver, James V. Krummrich (Suspect #1, W/M, DOB: [REDACTED] 65) ignored her warnings and continued to merge. Victim stated she had to cross over the solid yellow lines (partially onto the northbound lane) in an attempt to not be struck by the GMC Sierra and attempted to pass. As Victim was in the process of passing the GMC Sierra it then struck her front passenger side, causing her to lose control.

Due to the force of being struck, Victim's vehicle began to slide into the northbound lane (traveling southeast), over the east side sidewalk, and into a southeast field. Unable to stop, Victim's vehicle continued southeast into the field, began to spin northwest, and struck a tree on rear driver's side. The vehicle then spun around one hundred eighty degrees and then came to a complete stop, facing northwest bound.

Victim stated when she initially struck by the GMC Sierra and began to slide off the roadway she observed the vehicle continue southbound on North Illinois, possibly leaving the scene. Victim further stated she even observed the vehicle travel over the solid yellow line as it was departing.

Contact was made with [REDACTED] (Witness #1, W/M, DOB: [REDACTED]). Witness #1 stated he was behind Victim's vehicle, when the GMC Sierra came onto North Illinois from Sullivan's Bar (907 North Illinois) heading southbound. Witness #1 stated the GMC Sierra didn't even attempt to travel southbound, "shot out out," and struck the rear passenger side of Victim's vehicle.

Witness #1 stated Victim's vehicle lost control and went into the field. Witness #1 continued to follow the white GMC Sierra, which he believed to be departing the scene of the crash. As the vehicle approached Save parking lot (620 North Illinois) it entered the parking lot and Witness stated he observed the occupants switch seats. He stated the driver of the GMC Sierra during the crash had been a white male, later identified as Charles E. Mackin (W/M, DOB: [REDACTED] 63, [REDACTED] Swansea IL) who was wearing a black shirt. Witness #1 further stated Suspect #1 had been the passenger of the vehicle, however entered the driver's seat and responded back to the crash.

As officers were making contact with C. Mackin, Victim approached officers and was adamant that C. Mackin was not the driver of the GMC Sierra during the crash. Victim further stated out of the two occupants of the vehicle C. Mackin was the older occupant and the driver was younger in age than C. Mackin. Victim could not provide a clothing description of the driver, however again was adamant C. Mackin was not the driver during the crash.

Victim's other statement's contradicted Witness #1's statements. Witness #1's statements on how the GMC Sierra exited Sullivan's parking lot and struck Victim's vehicle didn't coincide with how Victim described how the crash occurred.

DATE: 5/2/12
SUBJECT: dui

Contact had been made with Suspect #1, who smelled of an alcoholic beverage and had glossy eyes. Suspect #1 stated he had been operating the vehicle during the crash. Suspect #1 further stated while he was merging into the left hand lane, he simply didn't see Victim's vehicle. Suspect #1 also stated he had a "few" when asked if he had any alcoholic beverage today.

When requested, Suspect #1 refused to complete Standardized Field Sobriety Test. Suspect #1 was placed into handcuffs, checking for fit, and double locked. Suspect #1 placed into the rear of my patrol vehicle and transported to Belleville Police Department. Suspect #1 was read his Warning to Motorist at

1910 hours. At 1930 hours, Suspect #1 refused breath test #540, administered by Ptn. Kallal. Suspect #1 was booked and fingerprinted per department policy. Suspect #1 was issued Citation #0220752 and #0220753 prior to being released on bond. Illinois Traffic Crash Report completed. Pictures were taken on scene and logged into PIPS.

As Suspect #1 was being booked, telephonic contact was made with R/P. R/P stated she observed the traffic crash, however could not provide specifics. R/P however believed the driver of the GMC Sierra may have been wearing some type of green hat, however both occupants had hats. Nothing further to add at this time.

Respectfully,

Ptn. Anthony Branchini #174

DATE: 5/2/12
SUBJECT: dui

On March 17, 2012 at around 5:48 p.m., I, Ptn. Kallal #129 (reporting officer) responded to a vehicle accident located in the 900 blk. of North Illinois Street. Upon arrival, I observed a vehicle parked partially on the sidewalk and partially on the roadway. I exited my patrol vehicle and observed an SUV off the roadway a short distance on the east side of North Illinois Street. I was approached by a white male who identified himself as a witness and stated that he had observed the entire accident. The witness stated that he observed a white truck, occupied by two subjects, had struck the victim's vehicle and ran her off the road. The witness also claimed that the white truck proceeded to the SAVE parking lot, occupants exited vehicle and then switched drivers and proceeded back to the accident scene, parking on of 920 North Illinois Street. The witness said that the white male with a black shirt on was the subject that was driving originally and then the white male with the green shirt got into the driver's seat. I observed two white males, one wearing a black shirt and one wearing a green shirt, standing on the parking lot next to a white truck, a 1995 GMC Sierra bearing IL Reg. #24KRUM. I stopped the witness from continuing on and advised him to speak with Ptn. Branchini #174 because he was going to be handling the accident report. I proceeded down to the SUV to make sure the driver, a white female, was not injured. She stated that she was just upset and short of breath. I advised her that Ptn. Branchini was handling the report and proceeded back up to the sidewalk to speak with Ptn. Branchini. I accompanied Ptn. Branchini to speak with the white males. While he spoke with both subjects I observed an odor of alcoholic beverage coming from the direction of both subjects. Ptn. Branchini then went to speak with the white female. I remained on scene and provided as a cover officer along with traffic control.

After getting the traffic under control, I returned to speak with both white males. I asked them who was driving the white truck and James V Krummrich stated that he was. The passenger also stated that Krummrich was the driver at the time of the accident. I then returned to Ptn. Branchini and advised him of what I had been told.

Respectfully,

Ptn. Kallal #129

Respectfully,
Det Sgt Matt Eiskant 298

Sir,

Supplemental on report forwarded to your office on 3/17/12 in reference to a DUI traffic crash report that occurred in the 900 block of North Illinois. Det. Sgt. Eiskant and R/D were requested to follow up on the investigation to determine if the drivers of the 1995 GMC Sierra, occupied by James Krummrich and Charles Mackin, switched places after the traffic accident. A witness, identified as [REDACTED], reported to officers on scene that he followed the GMC after it was involved in the accident to a near by parking lot. [REDACTED] stated to officers that he observed the two occupants switch seats.

Sgt. Eiskant and R/D checked the area for surveillance video which may have captured the accident as well as the possible seating positions of the occupants of Krummrich's vehicle. There were no cameras along the roadway as well as the parking lot where the truck pulled over. R/D checked Sullivan's Tavern located at 907 North Illinois St. and did not observe any outside cameras. R/D made contact with the owner of Sullivan's by telephone who confirmed they do not have any inside or outside cameras. R/D was further advised that they are a cash only bar and would not have any receipts that would prove if either Krummrich or Charles Mackin were inside of the bar before the accident.

On 5/14/12, Det. Sgt. Eiskant and R/D spoke with LT. Steve Evans with the Fairview Heights Police Department in reference to their internal investigation. LT. Evans handed R/D a copy of the interviews they conducted with [REDACTED] and [REDACTED] as well as some of their reports. Lt. Evans stated that the victim of the accident, Hannah Schenewerk, would not provide a video statement and only wrote out a statement for him which is attached. Lt. Evans further stated that Hannah Schenewerk retained a lawyer. R/D left a message for Hannah Schenewerk to set up an interview.

R/D was informed by several different individuals that they heard it was rumored that James Krummrich was at the Dandy Inn Bar after he was released for the DUI in Belleville. R/D was also advised he may have been involved in a disturbance at the Dandy Inn. R/D called the owner identified as [REDACTED] to inquire about this disturbance and to see if they had any video surveillance. [REDACTED] stated that he knows for a fact that Krummrich did not get into a disturbance that evening and stated their video has since probably expired.

On 5/14/12, Det. Sgt. Eiskant conducted an interview with [REDACTED] at his residence. This interview was audio and video recorded (see Det. Sgt. Eiskant's report). Attached is a copy of the reports and interviews from Fairview Heights as well as a copy of the interview conducted by Det. Sgt. Eiskant with witness [REDACTED].
